

**REMARKS**

In May 28, 2004 Notice of Allowability, the Examiner objected to the drawings, asserting that Figure 3 contained the reference signs "A" and "B" not included in the specification. Applicants hereby request amendment of the specification to incorporate Figure 3 reference signs "A" and "B" into the specification. The amendment does not introduce any new matter because the reference signs were present in the originally filed Figure 3. Applicants respectfully assert that the amendment overcomes the objection, and request that the objection to the drawings be withdrawn and the application be passed to issuance.

No additional fees are believed due; however, the Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, to Deposit Account No. 11-0855.

If the Examiner believes any informalities remain in the application, a telephone call to the undersigned agent at (404) 815-6102 is courteously solicited.

Respectfully submitted,
